

ThreadFox

REDDIT TOOLS FOR CLAUDE CODE + CODEX

Your AI does the Reddit outreach.

Tell your AI about your business.

It reads community rules, writes posts that fit, publishes from your Chrome and answers comments.

It checks posts afterwards and stops posting where a community removed one.

978,227

recorded views from two days of posts

(Sept 20–21 UTC), with no ad spend.

Cumulative views grouped by publication date. One case study; no promised result.

\$49 once, plus tax.

Refund yourself in one click for 30 days.

Optional upgrades after purchase:

Pro \$97. Resell Rights \$197 (Lite \$97).

Prefer it done for you? ThreadFox Managed.

Launch \$99 / Growth \$199 for one 30-day campaign.

No automatic renewal. Full refund until work starts.

I earn a commission if you buy through my link.
